

Creating Accessible Employment

A guide to the *Accessibility Standard for Employment*
Virtual Webinar

March 30, 12:00 - 1:00 pm

Registration: https://us06web.zoom.us/meeting/register/tZUvde-rqDsvG9K_VMz djYDi11cuM2lw1INz

Through presentation and discussion, participants will learn about actions they can take to help their organization comply with the Employment Standard under The Accessibility for Manitobans Act. This one-hour webinar targets individuals who are responsible for recruiting, hiring, developing and implementing policies at their workplace or organization.

This is an opportunity to go beyond basic accessibility education and reconsider policies and practices in your workplace that do not comply with new accessibility standards. Hear from a presenter with a disability and experience as a career coach in the disability community.
